YOUR CAREER AWAITS

Since 2003, the nonprofit sector grew faster—in terms of employees and wages—than business or government.

Save the animals. Save music in schools. Save humanity. The nonprofit sector provides so many ways to make a positive change in your world.

NATIONAL CREDENTIAL

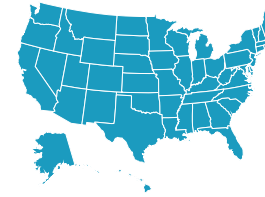

The Certified Nonprofit Professional (CNP) credential includes a powerful combination of classroom learning and practical skill-building activities that bolster your ability to find a great nonprofit job and excel at it.

Research indicates that CNPs are seven times more likely to rise to director or higher level (compared to their non-CNP peers).

JOIN THE MOVEMENT

The Alliance network includes 50 top colleges, universities and national nonprofits—and 9,000+ CNPs leading some of the country's most successful social sector organizations. Whether you are interested in volunteer coordination, fundraising or program management, the CNP program is a proven method to launch your nonprofit career.

90% of CNPs from established Alliance campuses find a nonprofit job in 6 months or less.
